Application and Document Submission

1. Applicants must apply on-line.
 - ※ Websites for application : “<http://iat.kookmin.ac.kr>” or “<http://www.uwayapply.com>”
2. Applicants are NOT allowed to apply to two or more admission units [majors, departments, or schools]
3. Please fill in the on-line application very carefully. Cancellation or changes of the application after submission will NOT be accepted.
 - ※ Please review your application before submission.
4. Applicants are entirely responsible for any consequences that may be caused by the submission of incorrect application information. Applicants are also held responsible for any disadvantages resulting from incorrect (outdated or omitted) contact information and failure to receive notice from the university.
 - ※ Applicants must inform the university of any changes in phone number or address.
5. Documents submitted will NOT be returned to the applicants regardless of success or failure.

Privacy Policy

1. The reception and management of the online application is contracted out to Uwayapply Co. Ltd., a company specializing in online applications for college admission.
 2. Kookmin University collects and stores personal information only necessary for admission under the consent of applicants, and uses it for the purpose of admission and college register only. After admission to the university, the university will use and provide the collected personal information for the purpose of education, research, administration, health insurance, Physical examination, Announcement of campus life and information. Accordingly, applying for admission is regarded as the applicant's consent to this privacy policy, and application submission without consent to this policy will not be accepted.
 3. The list of personal information to be collected : Applicant's name, Alien Registration number, application specifications (term, type, school/ department/ major, application number), nationality, address, educational history, contact numbers, e-mail address, bank account, parents' information (name, nationality, occupation, address, contact number), etc.
-

Notice to Applicants

Revocation of Admission

1. If an applicant is found to have submitted falsified or forged documents or hires a substitute test taker, the application will be disqualified and the admission and enrollment will be revoked even after entrance registration. In this case, his/her tuition and entrance fee will not be refunded.
2. If an applicant is enrolled in two or more universities for the same semester, the admission will be revoked. In this case, his/her tuition and entrance fee will not be refunded.
3. Successful applicants to two or more admission units [majors, departments/schools] should register for only one major, department/school.
4. If a high school graduate-to-be applicant fails to graduate from the high school by the due date, the admission and enrollment will be revoked.
5. If the Ministry of Justice refuses to issue a student visa (D-2) for the applicant, the admission will be revoked. In case that the successful applicant could not receive a student visa (D-2) within 2 weeks from the beginning of the semester, the admission and enrollment will also be revoked. Applicants are entirely responsible for the visa refusal and delay.
6. On inquiry, if an applicant is found to be unqualified, the admission and enrollment will be revoked even after entrance registration. In this case, tuition and entrance fees will not be refunded.

Other Notifications

1. Since there are no additional announcements to individual applicants regarding these admission guidelines, applicants should be well-informed of the guidelines. The university is not held responsible for any disadvantages incurred by applicants' poor understanding of the admission guidelines.
 2. Applicants must check the announcement of successful candidates, which will be made available on the university's homepage (<http://iat.kookmin.ac.kr>). The university will NOT inform the applicant of the admission result individually. Applicants are entirely responsible for the disadvantages incurred by failure to check the announcement.
 3. **Evaluation records and scores will NOT be disclosed.**
 4. Course placement will be based on the Korean proficiency level which is estimated by TOPIK score, the level of KMU Korean Language Center, or the result of KMU Korean Level Test (Course Placement Test).
 5. The ultimate rules regarding the admission guidelines will be subject to related laws and regulations, the university's regulations, and the decisions of the "University Admissions Management Committee".
 6. This guideline is written in Korean Language and translated in English. In case of any conflict over the meaning or application of this guideline, the Korean language text of this guideline shall prevail over any translation thereof.
-
